

Job Board Makes Top 5 in Deloitte's Fast 50

CV-Library has been ranked in the UK Technology Fast 50 2011 and makes the top five for the South East region.

The Deloitte Fast 50 winners are recognised as being the fastest-growing technology companies in the UK. CV-Library was placed at number 37 overall and has grown by an exceptional 822% over the past five years.

David Halstead, Lead Partner, Deloitte UK Technology Fast 50 and Technology Fast 500 EMEA Programmes says: "The Deloitte Technology Fast 50 gives great profile to technology companies and is internationally recognised as being one of the most important business awards in the sector.

"Achieving sustained revenue growth of 822% over five years is a tremendous accomplishment. CV-Library's exceptional growth puts it in select company" David adds.

CV-Library holds a database of over 4.1 million CVs and this is increasing at a staggering rate of 130,000 new CVs every month. Their latest ABCe audit (October 2010) confirmed that they are the fastest growing job board in the UK.

Lee Biggins, Managing Director of CV-Library says: "We've grown exceptionally fast over the last few years and it's great that this has been recognized by Deloitte.

"Our technology department has never been busier with numerous projects on the go and commitment to improving our services is high on the development list. 2012 is going to be an exceptionally busy year for us with some huge marketing campaigns up our sleeves; it's a really exciting time for CV-Library!"

CV-Library could also emerge as a winner in the Technology Fast 500 EMEA 2011 rankings, which recognises the 500 fastest-growing technology companies across Europe, the Middle East and Africa.
